

Greater West Texas Softball Coaches:

As a way to promote and improve softball in West Texas, JJ Johnson from Coronado and I are forming a Greater West Texas Coaches Association. We will have a winter and summer clinic, and a regional all-star game at the summer clinic. The first clinic is scheduled for one day on December 8 here at Frenship High School. Details will come a little later.

The Association will be open to all high school coaches as well as summer league and travel team/select coaches. Only high school coaches will serve as officers. We are in the process of having a Web Site built with information about registration, nomination forms and general information about softball and the GWTSBA Association. We need your help in passing this information to other coaches in your district.

Please feel free to offer suggestion and ideas as how to help us make each other better. The Association can be a very effective tool to improve the play and skill of our girls.

Cost will be \$30.00 for head coaches and \$15.00 for assistant coaches and summer coaches. The December clinic will have lunch included. We hope to have an area set up with vendors showcasing their softball goods.

Please return the attached information sheet and dues to the address on the attachment.

Thank You

Hope to hear from you soon.

Robby Dickenson
